Bond No.

Amount:

Estate of:

Administrator:

I request that the Surety regard the Estate as closed without the formality and expense of a release by the court

In support of this, I confirm that:

1. All debts of the decedent have been advertised for and paid.
2. The Estate has been distributed according to the law.
3. Releases have been taken from all beneficiaries

In my opinion, the Surety may safely regard its liability as terminated.
